

Air Conditioning

IRS REFRIGERATION

the luxury of

IRS Refrigeration recommends and supplies quality Mitsubishi and Lennox Air Conditioning units. These units are world-leaders in reliability, quietness and energy efficiency, and proven performance in the tough Australian environment.

Whether for the Home, Office, Caravan or the rugged Australian outback, **IRS Refrigeration** can Advise, Supply and Service the Air Conditioner that best suits your requirements.

IRS Refrigeration also supplies Accommodation, Kitchen, Dining, Shower and Toilet Containers for Campsites or Permanent sites, configured to meet your needs.

IRS Refrigeration Sells and Hires the most flexible containers, in a variety of sizes, condition and modifications. We work with you to define what is ideally suited to your needs.

Sizes are flexible, from 10' to 20' to 40' Containers, configured to suit your exact needs.

We stock and supply the most reliable and efficient containers in South Australia, maintained by our qualified on staff mechanics.

IRS Refrigeration offers a competitive price to Buy or Hire. Or if you prefer we also offer various payment options, including our "Hire to Buy" arrangement. It is all about what best suits you.
